

Press Release - "I Am Ready"

FOR IMMEDIATE RELEASE

**Ketsyha Inspires Us to Overcome Our Fears with "I Am Ready"**

**Trujillo Alto, Puerto Rico (January 12, 2026)** - Emerging artist and songwriter Ketsyha releases her new single "I Am Ready" this Friday, a powerful and energetic anthem that encourages facing new challenges and goals with confidence. The song is part of her Master's project at Berklee College of Music, where Ketsyha explores and defines her sound, blending R&B, funk, and soul with Latin pop elements, creating a unique and personal musical identity.

"I Am Ready" speaks about rising up despite fatigue, overcoming fear, and turning it into strength. The song's message goes beyond external success: *"ready to win"* means winning the battle with ourselves, confronting our fears and insecurities, and starting each day with the mindset to face life with enthusiasm and focus on finding solutions rather than dwelling on problems.

With a contagious rhythm and a production that balances energy and emotion, "I Am Ready" aims to inspire listeners to take action, keep moving forward, and embrace each day as an opportunity to grow and overcome internal obstacles. It's a reminder that true victory starts within.

"I Am Ready" will be available on all digital streaming platforms starting January 16.
